

All I Need Is You

key: E

A **E**
I've soared above the highest heights

A **E**
I believe in things that I can't see

A **E**
I want to be completely sure of this

B
That what I want isn't what I need

A **E**
Could I give until it starts to hurt

A **E**
Needing nothing in return

A **E** **B**
I want to be prepared to risk it all, but what I need...

Chorus: **C#m** **A** **E**
Is you holding on to me and never letting go

B **B/C** **C#m** **A** **E** **B** **B/C** **A**
All I need is you holding on to me and never letting go, all I need is you

A **E**
I want to be someone who will inspire

A **E**
A change of heart in someone else

A **E**
I want to be a light that never fades

B
But what I want isn't what I need

A **E**
Make my life count for something more

A **E**
Than the songs that I sing here

A **E** **B**
I want to stand up high and never fall, but what I need...

(Chorus)

A **E** **A** **E** **B** **A**
You, all I need is you, all I need is you, all I need is you

A **E** **G** **A**
All I need is you, all I need is you, you
