

## Armour Song

Chorus:           **G**    **C**           **Em**    **D**  
                  The Lord is with you and he goes before you  
                  **G**           **C**           **Em**    **D**  
                  He's never gonna leave or give up on us  
                  **G**    **C**           **Em**           **D**           **G C Em D**  
                  So do not be afraid or discouraged cause God is with you

**C**  
You gotta be strong  
                  **G**  
So put your amour on  
                  **C**           **G**  
To stand up in the end  
                  **Em**  
Get the belt of truth  
**C**  
Wrapped around you  
                  **Am**           **D**  
With the plate of righteousness

Chorus:           **G**    **C**           **Em**    **D**  
                  The Lord is with you and he goes before you  
                  **G**           **C**           **Em**    **D**  
                  He's never gonna leave or give up on us  
                  **G**    **C**           **Em**           **D**           **G C Em D**  
                  So do not be afraid or discouraged cause God is with you

**C**  
Take your gospel shoes  
                  **G**  
Lace them on through  
                  **C**           **G**  
Use the shield of faith to guard  
                  **Em**  
Your helmet fits  
                  **C**  
Salvation never quits  
                  **Am**           **D**  
And your sword is the word of God
