So suitable, move to the musical  
**G D/F#**  
Just let the drum beat play, everybody get crazy as we lift up praise  
**G D/F#**  
Out of this world into galaxies beyond, we're dancing along, singing a song  
*[no chord]*  
Q-Town get down, everybody in the place feel the boom of the sound (Chorus)

Verse 2: **G D/F#**  
Q W A-N-O E to the S what y'all don't know  
**G D/F#**  
From the Dining Hall to Club Coco hear my smooth flow on the qrok show

Summer time memories got me feeling heavenly, definitely everywhere I look there's a friend  
**G D/F#**  
I see and we're having the best time, rockin' a fresh rhyme so fine  
**G**  
And now I'm making this decision, taking this position  
**D/F#**  
I'm speaking my opinion cause I'm reading what was written  
**G**  
So get up and celebrate the life that we've been given  
**D/F#**  
Cause I've got the rhyme and the drummer's got the rhythm
