

Dare To Soar

key: A

intro: A D F#m D

F#m **D**
Take my life and help me see all the things that I could be
D

I'm ready now so let's go, where you lead I want to follow

F#m **D**
I know that I'm not meant to coast, help me see what matters most
D **E**

Catch me when I fall cause flying means I'm gonna risk it all

E **D**
Today is the day - you know I cannot wait

Chorus: **A** **D** **F#m** **D**
We are meant for so much life, and so much more, when we dare to soar
A **D** **F#m** **D**
I know that you are by my side, you've opened the door, I dare to soar

break: **F#m** **D**

F#m **D**
Let's go up to the highest height, open up the door to life
D

Teach my heart to see all the chances here around me

F#m **D**
Ride the current, feel the flow, I'm not afraid because I know
D **E**

That every single hour you're my strength and you're my power

E **D**
Today is the day - you know I cannot wait

(Chorus)

A **D**
Hey, hey, what do you say, we need to go, go, soaring today

F#m **D**
You and I, I, we gotta fly, jumping on up into the sky

(Chorus)

A **D**
You and I were made for more, get your feet up off the floor

F#m **D**
Spread your wings and fly - dare to soar

A **D** **F#m** **D**
I know that you are by my side, you've opened the door, I dare to soar
