

Lift Off

intro riff: C#m E F#

Chorus: C#m A
Lift off, elevation
E B
Our destination is above the sky
C#m A
Blast off, into orbit
E B
Where we can soar it is an amazing ride
C# E F# C# E F#
Lift off Lift off

C#m E F# A G#m
This is the world in which we live but it's not our home
C#m E F# A G#m
There is life beyond this earth -we are not alone
F# A G#m
God, you are the life and truth
F# A B
And my power is in you...

(Chorus)

C#m E F# A G#m
My mind is fixed on things above, I've been set apart
C#m E F# A G#m
The love of God a satellite circling round my heart
F# A G#m
You raise me up and make me yours
F# A B
And by your mighty hand I soar...

(Chorus)

C#m A E B
Lift off, into heaven, warp factor seven is the starting speed
C#m A E B C#m
Aim high, straight and narrow, like an arrow, yeah we have achieved lift off

break: C#m B C#m B

(Chorus)
