

# No One's Quite As Good At Being You

key: A

**riff: G - A**

Maybe you're shy, don't like crowds  
Or you've been known to bust a rhyme out loud  
You never really seem to get the joke  
You're really fast or a slow poke

**Bm D G - A**  
No one's quite as good at being you

**riff: G - A**

You can take the ball into a slam dunk  
Make something cool from a pile of junk  
Ooze trivia about the latest media  
Give us lessons on the ills of hypothermia

**Bm D G - A**  
No one's quite as good at being you  
**Bm D G - A**  
We know it's true, no one's quite as good at being you

Chorus: **A G F#m F - E**  
Na, na, na, na, Na, na, na, na, no one's quite as good at being you  
**A G F#m F - E riff**  
Na, na, na, na, Na, na, na, na, no one's quite as good at being you, it's true

**riff: G - A**

Maybe you're tall just like a giraffe  
You rock a mullet and you still got class  
You're right at home with your nose in a book  
Sometimes people say you tend to leap before you look

**Bm D G - A**  
No one's quite as good at being you

**riff: G - A**

You can dance around in a freaky way  
Speak up cause I like the things you've got to say  
If people frown at the things you do  
I have to say that I'm really quite fond of you

**Bm D G - A**  
No one's quite as good at being you  
**Bm D G - A**  
We know it's true, no one's quite as good at being you

(Chorus)
