

Something's Different Here

key: E

riff: E F#m - A

Today, something has changed
Not gonna be the same, don't even want to
Let's roll, put out your hand and take hold

C#m B - A F#m A
Let's see all this unfold cause something's happening

E B C#m A
Chorus: It's exciting, energizing, things are happening, never felt this way before
E B C#m A
I just know that something's different here
E B
Can't explain how, yeah but somehow
C#m A
You're calling me – and you're knocking at the door
E B C#m A
I just know that something's different here
E B different chord: G#m A
I just know that something's different here

riff: E F#m - A

Tonight I have seen the light
It's shining so bright, getting clearer
And you say come on, I've written you a new song

C#m B - A F#m A
This is where you sing along, let me hear you

(Chorus) **Bridge: C#m B - A (x 3) F#m A F#m A**

riff: E F#m - A

It's like the ending of a long night
C#m B - A F#m A - B
I walk into the daylight and it's amazing, you're so amazing

(Chorus)

E B different chord: G#m A
I just know that something's, I just know that something's
E B different chord: G#m A
I just know that something's different here
E B C#m A C#m B - A (x 3) F#m A E
I just know that something's different here
