

Unstoppable

B D E
It's the ride of my life that I'm given in Christ
B D E
Taking me for a spin, kick the track, let's begin
B D E
Whirlwind, hurricane, love so strong it's insane
B D E
Frothing up, overflows from my head to my toes
G A
And I like what I've tasted, so I choose to embrace it

Chorus: **B D E A**
Oh, yeah, yeah, yeah
B D E A
Fill me up til I'm full, make me unstoppable
B D E A
Oh, yeah, yeah, yeah
B D E F# B A B
Feel his love overflow and it's unstoppable

B D E
Yes you bless, put me first, though I've earned something worse
B D E
It's too much to contain, gotta give it away
B D E
I need to go let it flow cause your love is fantastic
B D E
Shooting out from my heart like a giant elastic
G A
And I know I'm invited and that's why I'm excited, I'm saying...

(Chorus)

Solo chords: B D E (repeat x 3) D C# B D E
B D E B D E B
Now something's got to give, the unstoppable stopped so I could live
G A
I recognize the fact, here's where I'm at

(Chorus)

B D E B D E
I can do all things, there's nothing stopping me
